

John R. Watret, Ph.D.

**Chancellor, Embry-Riddle Aeronautical University –
Worldwide Campus**

Dr. John Watret, Chancellor for Embry-Riddle Aeronautical University, Worldwide provides leadership and strategic direction that fosters growth, maintains academic integrity and promotes efficient operations for the Worldwide Headquarters in Daytona Beach, Florida and the over 130 campus locations throughout the United States, Europe, Asia, and South America. Watret is active with organizations both nationally and internationally, serving as Chairman of the Board of Directors for Embry-Riddle Aeronautical University-Asia, Ltd. in Singapore; Managing Director for Embry-Riddle Aeronautical University Europe in Germany; as an appointed board member for the University of Florida Online Campus; as an elected member for the Flight Safety Foundation Board of Governors; and as a board member for the Aerospace Alliance, Inc. He is also a Fellow of the Royal Aeronautical Society (FRAeS) and has been a featured speaker and panelist at several national and international conferences. During his 26-year tenure with the University, Dr. Watret has served in several administration roles and he is a tenured Professor of Mathematics.

A licensed private pilot, he holds a Ph.D. and Master of Science in Mathematics, both from Texas A&M University, and a bachelor's degree with honors from Heriot-Watt University in Edinburgh, Scotland.
