

Patrik Peters
President & CEO, IFATCA

Patrik Peters, German national, air traffic controller and supervisor for more than 28 years at the Eurocontrol Maastricht Upper Area ATC Center, is the President and Chief Executive Officer of IFATCA, the Montréal based International Federation of Air Traffic Controllers' Associations.

Patrik has been involved in association and Federation work for more than 20 years. Early 2014 he was elected President & CEO of the Federation after having served various other positions on the IFATCA Executive Board since 2006.

Strategic planning with pragmatic implementation methods, team and change management, surpassing communications skills and a sound knowledge of the aviation industry characterize him as leader of the Federation.

Patrik lives in Germany - every now and then - when not circling the globe on his mission. He is married and father of two sons - age 19 and 22. In his spare time he enjoys travelling, music and sports - like running, snow- and race-boarding.
