Technology/Innovation/Automation

The myth of automation

The code is the law

MABA – MABA or Abracadabra?

Technology/Innovation/Automation

Joint Human-Machine system: Complimentary vs. Left-over strategy

Human vs. Machine: Human manages machine or vice versa

- Function allocation
- Who does what?
- Competition

Human & Machine: Complimentary of human and machine

- Function is allocated to a 'team'
- Cooperation joint between man and machine

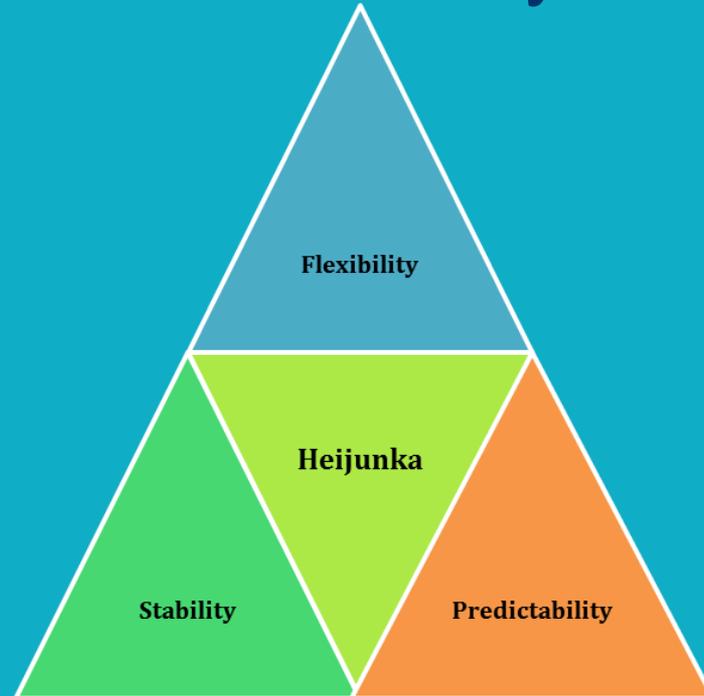

Responsibility

Accountability
Safety/Just Culture
Systemic Safety

Predictability

... at the loss of flexibility vs. capacity?

Staffing

...shortage, competition, variation, latency
