**OUTSTANDING CONTRIBUTIONS RECEIVABLE AND ICAO'S FINANCIAL SITUATION**

(Presented by the Secretariat)

**SUMMARY**

**Appendices A and B** to this paper contain information relating to ICAO's financial situation and outstanding contributions as at 31 July 2013, for consideration by the corresponding States. In the Eastern Caribbean, most States have outstanding contributions as at 31 October 2013.

With regard to the payment currency, even though assessments are quoted in two separate amounts expressed in different currencies, CAD and USD, because of the Assembly resolution to protect the Organization against significant changes in the exchange rate between CAD and USD, both quantities are payable. Notwithstanding, they can be paid in a single currency, or in any combination of currencies including CAD, USD, Euro and other currencies of the States in which an ICAO Regional Office is located, at the applicable United Nations exchange rates, which are published on a monthly basis by United Nations at the moment of effecting the bank transfer or when ICAO receives the payment by cheque. Current monthly exchange rates are available at any ICAO office or other agency of the United Nations system, such as UNDP, which has national offices in nearly all States of the Region. States wishing to settle a portion or the totality of their contribution in a currency of another country, in which ICAO has a Regional Office, are invited to notify ICAO of their request prior to effecting payments.

**Action:** The Secretariat urges States that the necessary measures be taken to fulfill financial obligations to ICAO in an urgent manner. ICAO depends on the budget to carry out its mandate, and cooperation is requested to collect the outstanding contributions.

**Subject:** Outstanding Contributions receivable as at  
31 July 2013

**Action required:** Payment of amounts in columns (4)  
and (7) of Attachment A, except for those States with  
Special Agreements which should make payments in

Sir/Madam,

I have the honour to provide the status of outstanding contributions receivable from  
Member States as at 31 July 2013.

Attachment A presents total outstanding contributions as at 31 July 2013 and all prior  
years which are payable in Canadian dollars [Column (4)] and those payable in United States dollars  
[Column (7)]. Member States with Special Agreements are indicated with an asterisk(s).

State's assessments are due on the first day of the financial year to which they relate. For  
those States that still have outstanding contributions, I strongly urge you to take steps to fulfil your  
financial obligations to ICAO as a matter of urgency. ICAO depends upon your support to deliver its  
mandate and I seek your co-operation and understanding in helping us to collect the outstanding balance  
for your State.

Attachment B provides the banking instructions and payment requirements. To avoid  
delays in receipt of payments, States are also requested to inform ICAO when payment has been initiated.

The attention of States is drawn to Assembly Resolution A37-32, and in particular, Resolving Clause 6, which stipulates the condition for suspension of voting privileges and Resolving Clause 9, containing additional measures to be applied to those Member States whose voting privileges have been suspended under Article 62 of the Convention.

Member States should note that the 35th Session of the Assembly in September/October 2004 approved Assembly Resolution A35-27 on incentives for the settlement of long outstanding arrears. Member States are invited to consider the incentive schemes which are designed to encourage States to liquidate their arrears and at the same time provide incentives for doing so.

Should the economic circumstances of those States that are more than three years in arrears prevent immediate settlement, ICAO appeals again to them to take advantage of the special arrangements provided in Assembly Resolution A37-32, Resolving Clause 4, for the liquidation of arrears in annual instalments. An agreement with the Organization may be concluded once the State has paid:

- 1) a minimum amount of no less than five per cent against their arrears; and
- 2) the full amount due in respect of the Working Capital Fund; and
- 3) the current year's assessment.
