GUIDE FOR THE COMPLETION OF ICAO FELLOWSHIP NOMINATION FORM

(This sheet should be detached by the originator prior to submitting the attached Fellowship Nomination Form to the local or regional UNDP Office for transmission to ICAO)

It is in the interests of Governments to ensure that the attached Nomination Form is fully completed for each nominee in *original and two copies*. All Nomination Forms should be submitted to the local UNDP Resident Representative who will then forward three copies to the appropriate ICAO Regional Representative. Nomination Forms should be received at the ICAO Regional Office at least *two months prior* to the starting date of the proposed courses.

PART I – NOMINATION BY GOVERNMENT

Please note the following:

Paragraph 1 should indicate the *main* field of training as specified in SECTION I – LIST OF TRAINING COURSES of the AVIATION TRAINING DIRECTORY OF ICAO.

Paragraph 2 should provide *specific* details as regards Host Countries, Training Institutes and Courses. For example: Air Traffic Control – Aerodrome and Approach Control, Procedural; Aircraft Maintenance – Boeing 737 Air Frame and Powerplant Systems should be shown instead of general phrases such as ATC, Aircraft Maintenance, etc.

Paragraph 4. The objectives of the Fellowship should be stated concisely and accurately.

PART II – NOMINEE'S PERSONAL HISTORY

The technical and/or specialized training data is indispensable in the formulation of the Fellow's programme to indicate what prerequisite/basic or advanced course may have to be added/eliminated to achieve the optimum result. The employment data is also an essential ingredient in the formulation of the programme, as it helps to define the type and level of the requested training.

PART III – LANGUAGE TEST

Unless a Fellow has had his/her academic education, especially High School and/or College, in the language of instruction to be used by the Host Countries proposed for the Fellowship, it is essential that a Language Test be administered at a certified Language School or at the local Embassy/Consulate of the Host Country to ascertain that the Fellow understands, reads, writes and speaks the instructional language sufficiently well to receive instruction in it.

Please see reverse side for additional information

PART IV-A and PART IV-B – MEDICAL REPORTS

It is essential that a nominee be healthy and free of any sickness which may require further examination and/or treatment during the tenure of the Fellowship. ICAO/UNDP will not pay any medical expenses incurred by a Fellow for sicknesses existing prior to the starting date of his/her Fellowship. Such expenses must be borne by the Fellow and/or his/her Government. A prospective Fellow must be examined by a medical doctor recommended by the local UNDP Office. Flight Crew Members and Air Traffic Controllers should take a thorough medical examination (Part IV-B) as specified in ICAO Annex 1, Chapter 6, paragraph 6.6, if they are pursuing a course leading to the award of a license. All others should take a general physical examination including a chest X-ray (Part IV-A).

INTERNATIONAL CIVIL AVIATION ORGANIZATION FELLOWSHIP NOMINATION FORM

NOTE: Each item must be completed in full and all entries should be typewritten or written in block letters. The completed form should be forwarded in triplicate to ICAO through the Office of the UNDP Resident Representative for the country concerned at least two months prior to the starting date of the proposed programme.
