

ICAO NACC Regional Office
UNITING AVIATION in the NAM/CAR Regions since 1957

"Enhancement of State's Air Transport System and Regional Collaboration"

Oficina Regional NACC de la OACI
UNIENDO LA AVIACIÓN en las Regiones NAM/CAR desde 1957

"Mejora del Sistema de Transporte Aéreo de los Estados y Colaboración Regional"

NACC/DCA/7 – P/09

Regional Training Initiatives in the NACC Region

Seventh Meeting of the North American, Central American and Caribbean Directors of Civil Aviation
NACC/DCA/7

Washington, D. C., United States, 19 – 21 September 2017

ICAO ROLE IN TRAINING

To support.....

- ✈ Human Resource Development strategies
 - ✈ Established by Member States
- ✈ Increase capacity building efforts
- ✈ Endorse Training Centers/Courses

THE NEED

✈ Strategy Development

- ✈ Critical Element 4 – Technical Personnel Qualification and Training
- ✈ Ensure sufficient number of qualified and capable personnel
- ✈ Assist States in SARP implementation

THE FOUR PILLARS

1

- TRAINAIR PLUS PROGRAM

2

- Recognition by ICAO of aviation training activities

3

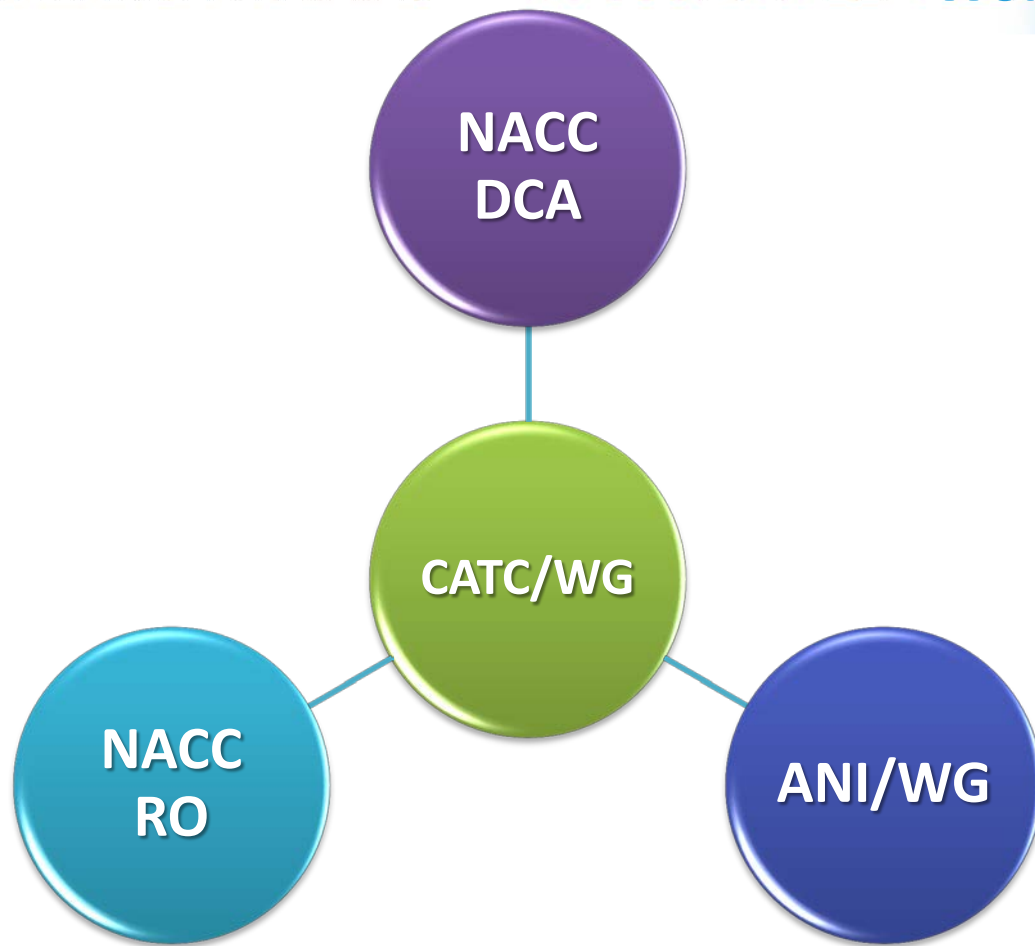

- ICAO Developed aviation training activities

4

- Cooperation and Partnership Agreements

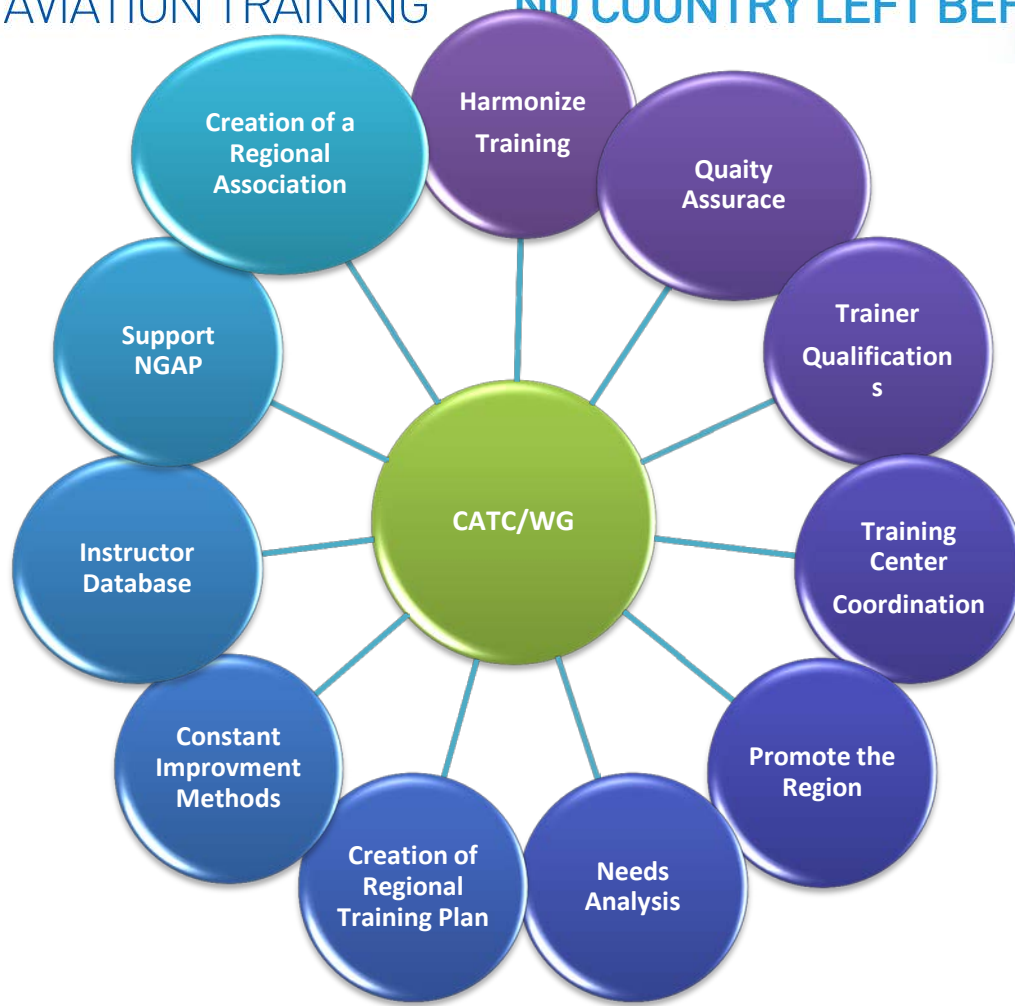

NACC CATC/WG

Expectations for the CATC/WG

CATC/WG/3 Outcomes

✈ Creation Of A Regional Database of Instructors

- ✈ Important step to regional integration of training
- ✈ Use of standardized qualifications

✈ Proposal to create a Regional Association

- ✈ To improve CE-4 in the Region
- ✈ Promote unity and standardization
- ✈ Avoid Duplication and achieve cost savings

CATC/WG/3 Outcomes

✈ Identification of Regional Training Needs

- ✈ Immediate need for an action plan
- ✈ States must consider their own strategies based on need

✈ Targets of Opportunity:

- ✈ Government Safety Inspector
- ✈ SMS/SSP

State's Training Needs SMS/SSP

**Risk
Assessment
Methodology**

**Development
of Manuals**

**SMS
Implementation**

**SSP
Implementation**

State's Training Needs Air Navigation Services

**PBN
