## EI by Critical Element

# USOAP activities in NACC States in 2017

- CMA audits: Bahamas, Honduras
- ICVMs: Costa Rica, Trinidad & Tobago
- Off-site validation & IVA activities:
  - Dominican Republic (IVA)
  - Nicaragua 2 activities (Off-site + IVA)
  - Trinidad and Tobago (Off-site).

# Audit & ICVM activities in NACC States scheduled in 2018

---

- CMA audit: OECS
- ICVMs: Barbados, Guatemala

# Provision of information on the OLF

- Some NACC States have provided timely information and updates on their CAPs and on progress in CAP implementation. Other NACC States have not.
- Self-assessment is time-consuming but should be seen not only as tool to share information with ICAO, but also as a “safety oversight risk control tool” for the State itself, within its SSP.
