# MCAAP ROLE UNDER NCLB

**To provide...**

**Technical Assistance**

**Assistance provided to States, with a specific set of funds, and implemented by the ICAO NACC, for the duration of the project**

**Technical Cooperation is a function of the Technical Cooperation Bureau (TCB) in Montreal**

**Any project requested and funded by States and implemented through TCB on a cost-recovery basis.**

# MCAAP

## Objective and Purpose

**Provide assistance to States/Territories in the effective implementation of ICAO SARPs, and streamline safety and air navigation implementation consistent with air navigation and aviation safety plans and regional performance targets**

## MCAAP Facts

The Project Activity Plan is aligned with the RPBANIP, GANP, GASP, and NCLB Targets

The Project Activity Plan will continue to employ the use of Multi-Disciplinary TEAMS in support of the SARP Implementation and increasing EI. All States will receive a visit by 2020.

The Project is focused on increasing EI, Aerodrome Certification, Mitigate safety/security deficiencies, assist in resolution of significant safety concerns, and build CAA capacity

Specific projects for 2018 will focus on NCLB Activity, with emphasis on long-term projects to benefit the region
