

ADS-B transponders versions in LATAM/CAR

One-day sample Nov 26th, 2018

AIREON LLC PROPRIETARY INFORMATION

Space-based ADS-B sees aircrafts with any ADS-B transponder version.
On a one-day sample (Nov 26th, 2018), 58% of aircrafts flying around the region were equipped with DO260B transponders.

Thank you!
