What are the expectations of your Training Centre from the NAM/CAR/CATC/WG?

- ✈️ Jamaica would like the support of NAM/CAR/CATC/WG to assist in standardizing all the training in this region and facilitate the smooth exchange of trainers within this region.
- ✈️ If there isn't all the training specialists in this region to satisfy our regional training needs, then can NAM/CAR/CATC/WG through an established program identify and support the training of persons to supply these specific needs.
