Sir/Madam,

As a follow-up on the first edition of the Accident and Incident Investigation (AIG) Procedures Webinar Series carried out on 19 May 2020, I wish to invite you to the Second Edition of this event, which will focus on a short review of the basics of procedures in general, and then an exercise on developing the procedures required by the Protocol Question (PQ) 6.381: *“Has the investigation authority established and implemented procedures to ensure that relevant and timely information on the progress of the investigation will be provided to the families and accident survivors?”*

It is important to note that all participants need to have a Zoom account as all sessions scheduled by ICAO are only for authenticated users. This event will be held on 25 June 2020 from 11:00 to 13:00 hours CDT (16:00 hrs. UTC). In order to confirm your participation at this meeting and obtain the Zoom connection information, you need to register at the following link:

Once registered, Zoom will generate a unique connection link for the registered participant and he/she will receive a confirmation e-mail from Zoom containing information about joining the meeting; please note that the connection link is unique to the registered participant and cannot be shared with other users. **Please ensure to save this message, as you will need it to connect to the event.**

Although this event will be held in the Zoom platform, in case your State does not have access to Zoom, please let us know of your interest in participating in this event so we can send you a *GoToMeeting* link that will broadcast this event.
