# Virtual Meeting on the Aviation Recovery - Public Health Corridors (PHC) Implementation in the CAR Region

23 September 2021

## Overview of COVID-19 Response and Recovery Implementation Centre (CRRIC) activities in the NAM/CAR Regions

**Ricardo G. Delgado**

*Regional Officer, Aviation Security and Facilitation  
International Civil Aviation Organization North American,  
Central American and Caribbean Regional Office*

## Challenges

- ✈ Establish CRRIC as a State priority
- ✈ Availability of State representatives
- ✈ Training of State PoC(s)
- ✈ State internal coordination among different actors to report progress
- ✈ Territories can not upload their progress in the CRRIC
- ✈ Objective and concise completion of CRRIC
- ✈ Reaching and guiding technical staff within small States through internet
