# RECONNECTING THE WORLD

## ICAO's Technical Cooperation Support

### SARPs Development

Development of agreements, policies and standards to support diplomacy and cooperation in air transport

Achieve the sustainable growth of the global civil aviation system

### SARPs Implementation & Capacity Building through *Technical Cooperation*

Support Member States in implementing ICAO SARPs in an efficient, cost-effective, orderly and sustainable manner in all civil aviation areas.

## Concept

Better **support** States through “**One ICAO**” by aligning all **technical implementation** support activities (ANB, TCB, ROs) from **inception** of new standard to **full implementation**

Organization shift to  
implementation  
support

2007

2019
