**Recommended Transportation:**

- Taxis: Use taxis from recognized companies or request services from applications such as Uber or Cabify for greater security and transparent rates.
- Buses: Public transport is varied and relatively accessible, but schedules and possible congestion must be taken into account.

**Safety Recommendations:**

- The Eje Cafetero is considered one of the safest areas in the country and if you want to go on your own, you can get around by rental car or public transportation.
- It is recommended not to carry valuable objects in plain view, especially at night. For this, it is best to discuss with the accommodation which places you want to visit so that they can advise and give the best advice.

**Recommended Hospitals:**

- **Hospital San Juan de Dios**  
Address: Cl. 17 Nte., Armenia, Quindío
