

# **AUTOMATIC DEPENDENT SURVEILLANCE – BROADCAST (ADS-B) IMPLEMENTATION TASK FORCE**

## ***1. Background***

During the first ANI/WG meeting, an ADS-B Implementation Task Force was formed in order to streamline related air navigation implementation activities. This Task Force shall support ADS-B trials and implementation activities as well as update and report progress to the ANI/WG based on the action plan for these tasks.

## ***2. Responsibilities***

The Task Force is responsible for:

- a) Work Programme Management
- b) Providing advice and support to States wishing to initiate operational ADS-B trials
- c) Guiding States that have conducted trials to project operational implementation
- d) Recommending targets for ADS-B implementation based on air navigation service providers (ANSPs) and user needs
- e) Periodically requesting statistics from States resulting from their trials

## ***3. Working Methods***

The Task Force will:

- a) Present its work programme containing activities in terms of objectives, responsibilities, deliverables and timelines
- b) Avoid duplicating work within the ANI/WG and maintain close coordination among the existing entities to optimize use of available resources and experience
- c) Designate, as necessary, Ad hoc Groups to work on specific topics and activities and organize clearly defined tasks and activities
- d) Coordinate tasks to maximize efficiency and reduce costs via electronic means including emails, telephone and teleconference calls, and convene meetings as necessary
- e) Report on and coordinate the progress of assigned tasks to the ANI/WG
