

**Extension of Question/Answer Period and Delivery Date for Responses to
the E/CAR Radar Data Displays Request for Information**

Dear Providers:

Considering the request by several Providers for extending the delivery date of the E/CAR Radar Data Displays RFI responses and that the upcoming E/CAR Radar data Sharing Meeting will be held in Guadeloupe, French Antilles from 22 to 24 October, 2014; please note that:

- The question/answer period regarding the RDS RFI has been extended to **3 October 2014**.
- The RDS RFI Delivery date is **10 October 2014**.

The rest of the instructions contained in the “Instructions to Prospective Providers for Response to Request for Information (RFI)” remained the same.

Thanks for participating in this process
