LT 2/3A.41 – SA492

Lima, 10 October 2013

To: Mr. Jean-Michel Boivin, Regional Director of Civil Aviation, West Indies and French Guiana
Mr. Zulficar Mohamed, Director General, Civil Aviation Authority, Guyana
Mr. Falisie Jozef Pinas, Minister of Transport, Communication and Tourism, Suriname

Subject: **Meeting of Air Navigation and Flight Safety Directors of the SAM Region**
(Lima, 21 to 22 October 2013)

Sir,

I have the honour to refer to my communication LT 2/3A.41 – SA368, dated 23 July 2011, inviting you to attend the referred Meeting. As mentioned before, the objective of this Meeting is to obtain consensus on the goals of the SAM Region for the next years on a number of indicators proposed by the ICAO Secretariat in the areas of Efficiency and Safety, within the framework of the global plans on air navigation (GANP) and safety (GASP).

In this regard, please be informed that the today today we'll be proceeding to upload in the website of the South American Regional Office of ICAO the missing working papers in order that the Directors of your Administration can analyze with enough time the notes and by this means facilitate the discussion during the event.

In this sense, the directors of air navigation and flight safety of the SAM Region will be able to analyze the metrics of several indicators, both in the air navigation as in the safety areas, with the purpose of defining metrics able to be complied by the States. Likewise, the Agreement that will be reached will be matter of discussion in a working paper with the Declaration of Bogotá, in the forthcoming Directors of Civil Aviation of the South American Region Meeting (RAAC13), which will be held from 4 to 6 December in Bogotá, Colombia.

Accept, Sir, the assurances of my highest consideration.

Franklin Hoyer
Regional Director
ICAO South American Office
