Lt. Col. Egbert Field, Guyana Civil Aviation Authority  
Mr. Jerry Miranda, Ministry of Public Works, Suriname

Subject: **RLA/06/901 – Third Seminar/Workshop on the Implementation of Airports – Collaborative Decision Making (A-CDM)**  
(Lima, Peru, 25 to 27 September 2017)

Action  
required: **Designate participants before 25 August 2017**

Sir/Madam,

I have the honour to invite your administration to participate in the Third Seminar/Workshop on the Implementation of Airports – Collaborative Decision Making (A-CDM), which is an activity co-financed by RLA/06/901 Regional Project - *Assistance in the implementation of a ATM regional system according to the ATM operational concept and the corresponding technological support for communications, navigation, and surveillance (CNS)*, and will be held at ICAO South American (SAM) Regional Office, from 25 to 27 September 2017.

The purpose of this seminar/workshop is to support States and other operational partners providing updated information on the A-CDM concept, besides analyzing, through the preparation of workshops and group discussions, the steps to follow in order to identify, plan and assist in A-CDM implementation in the aerodromes of high density in the SAM Region, in order to facilitate ASBU BO-ACDM implementation.

In view of the above, I will appreciate your considering proposing Aerodromes Operations and Ground Aids (AGA/AOP) experts, aerodrome Air Traffic Controllers and Air Traffic Flow Management (ATFM) specialists to participate in the event, besides extending this invitation to airport and airlines operators and air navigation services providers.

States who wish to attend this event could make use of the following financing alternatives:

- a) fellowships from a national ICAO Technical Cooperation Project approved for your State; or
- b) fellowships sponsored by Regional Project RLA/06/901 for member States of RLA/06/901 that do not count with the above alternative, having the interested administration to provide the air tickets to and from the host country; or
- c) own resources of your administration, in the lack of any of the previous alternatives.

In this regard, it is important to inform that this event has been funded by the contribution of your State, taking into account that part of the annual quota that has been send to the International Civil Aviation Organization (ICAO) has a portion for this purpose.

In this respect, I will appreciate your informing us on the participation of your administration before **25 August 2017**, by submitting to this Regional Office the corresponding *Registration Form* and, if necessary, the *ICAO Fellowship Nomination Form*, attached to this letter, to e-mail [icaosam@icao.int](mailto:icaosam@icao.int), as soon as possible.

Enclosed you will also find the *Description* of the seminar/workshop. The general information on the venue of the event can be found at ICAO SAM Regional Office website: <http://www2010.icao.int/SAM/>. In addition, the tentative agenda and other related documentation will be published in this website, option *Meetings*, as soon as available. No documentation is foreseen for distribution during the event; therefore, it is recommended that participants bring a laptop, or print the related documentation.

Should you require additional information on this event, please do not hesitate to contact Mr. Fabio Salvatierra ([fsalvatierra@icao.int](mailto:fsalvatierra@icao.int)), Aerodromes and Ground Aids Regional Officer of the ICAO South American Office in Lima.

Accept, Sir, the assurances of my highest consideration.

Franklin Hoyer  
Regional Director  
ICAO South American Office  
Lima

**Enc.**
