Subject: ***Aviation Professional Capacity-Building Study Validation Workshop, 13-14 June 2023***

Action Required: To confirm participation by 8 June 2023

Sir/Madam,

I have the honour to invite your Administration/Organization to the validation workshop for the Aviation Professional Capacity-Building Study, carried out in the context of the Comprehensive Regional Implementation Plan for Aviation Safety in Africa (AFI Plan). The workshop will be held virtually from 13 to 14 June 2023 as per the attached agenda and work programme.

As you may recall, ICAO engaged a Consultant through the AFI Plan to develop a planning framework and database, in order to provide a coordinated and focused support to build a sustainable human resources capacity in Africa in all areas of its Strategic Objectives. The first phase of the study is finalized and ready for review.

Accordingly, the workshop which will be conducted in English and French languages with simultaneous interpretation, will present for your consideration the results of the Study, including the information gathered through the survey conducted in the region, the SWOT analysis as well as implementation strategies to build aviation professionals capacities in Africa.

You are therefore kindly invited to confirm your participation in the Workshop at your earliest convenience, preferably not later than **8 June 2023**, by registering online at <https://www.icao.int/WACAF/Pages/AviationProfessionalCVW.aspx>. The report of the Study and the Agenda of the workshop will be provided in due course on the event website.

Please accept, Sir, the assurances of my highest consideration.

For Prosper Zo'o Minto'o
Regional Director and
Secretary of the AFI Plan
