Subject: Virtual Workshop on the validation of the SSP Project Implementation Documents, from 3 to 7 July 2023

Action required: Register online by 16 June 2023

Sir/Madam,

I wish to refer to the outcomes of the twenty-fifth meeting of the AFI Plan Steering Committee, held in Abuja, Nigeria, in May 2022, which approved the revised AFI Plan State Safety Program (SSP) Project. The objective of the SSP project is to assist AFI States in the implementation of an effective SSP. In the initial phase of the project, designated experts from the States developed a comprehensive set of documentation that will be utilized to offer SSP implementation support to States.

Considering the above, we kindly invite your Administration/Organization to participate in a virtual workshop, to be held from 3 to 7 July 2023. The workshop aims to validate the documentation (in French) developed by the Project Team; and primarily targets the SSP Coordinators and other States Experts involved in the implementation of SSP.

Participants are kindly invited to register online, preferably not later than 16 June 2023 at <https://icao.zoom.us/meeting/register/tJAvd--opjwrE9yIlyMNoMYiflyKLAqXcd4H>. We look forward to your valuable contribution towards the successful conduct of the workshop. The draft work programme is provided as attachment to this letter.

Please accept, Sir/ Madam, the assurances of my highest consideration.

For Prosper Zo'o Minto'o
Regional Director
