This Working Paper is related to Strategic Objectives: D

1. INTRODUCTION

1.1 In accordance with the APIRG Procedural Handbook, the Task Forces are expected to decide on the dates and venue of the next meeting.

2. DISCUSSION

2.1. The report of the present meeting will be submitted to the forthcoming AS/AIS/SAR SG meeting (April 2010). The latter will report to APIRG 17 (**July/August 2010**) on PBN and GNSS issues which will endorse the merger of the PBN and the GNSS/I Task Forces. Consequently, there will be a need for a first meeting of the PBN/GNSS TF before the end of the year 2010, to give inputs for implementation actions.

2.2. The meeting may also wish to recognize that the dates of the meeting will have to be coordinated with other activities of the Regional Offices, and accordingly agree that ICAO will do the necessary in this regard.

3. ACTION BY THE MEETING

3.1 The meeting is invited to agree on the tentative dates and venue of the first meeting of the proposed PBN/GNSS Task Force.
