ICAO

UNITING AVIATION

NO COUNTRY LEFT BEHIND

# Proposal

- What functions needed by each Region / Group ?
  - Organizational – EI
    - System design for oversight
    - SSP and SMS Implementation
    - .
  - Infrastructure
    - Capability build-up
    - Development and investment planning
  - Operational Risks
    - Implementation of SARPs and PANS
    - Prioritization
    - .
  - Performance Monitoring
    - Level of implementation
    - GAP Analysis.
    - .

# Task and Timeline

- Transition **could be any (or combination) of** :
  - back-back
  - one plenary then PIRGs and RAGS alone but meet parallel then meet one coordination and produce one combined report (PARIS office model)
  - full integration
  - Keep structure as is
- But any transition should lead to harmonized functions and reporting following:
  - Organizational
  - Operational risk
  - Infrastructure
  - Performance monitoring

29 JULY 2019	30 JULY – 1 AUGUST 2019	2 AUGUST 2019
