

INTERNATIONAL CIVIL AVIATION ORGANISATION

**AFI PLANNING AND IMPLEMENTATION REGIONAL GROUP
FOURTEENTH MEETING (APIRG/14)**
(Yaoundé, Cameroon, 23 – 27 June 2003)

Agenda Item 10: Terms of Reference and working arrangements of the APIRG

(Presented by the Secretariat)

1. Introduction

1.1 The Terms of Reference of the APIRG were developed by the AFI/7 RAN Meeting, Abuja, May 1997, and they were approved by the Council. APIRG/12, at the request of ALLPIRG/3 updated the Terms of Reference of the APIRG taking into account the costs and benefits of implementation options and the need to facilitate financing of referred options.

2. Discussion

2.1 The Terms of Reference and working arrangements of the APIRG are contained in the APIRG Procedural Handbook which has been reviewed and updated by the Secretariat taking into account the amendments made by the Council to the uniform methodology for the identification, assessment and reporting of air navigation deficiencies. Copies of the APIRG Procedural Handbook are available at the meeting.

3. Action by the APIRG

The APIRG is invited to:

- to propose adjustments or amendments as appropriate for improvement if any.
