Review of the report of the first meeting of the AFI AMHS Implementation Task Force

(Presented by the Team Leader of Draft AFI AMHS Implementation Strategy)

SUMMARY

This working paper presents the Document of the Draft AFI AMHS Implementation Strategy assigned to the AMHS implementation Strategy Team by first meeting of the AFI AMHS Implementation Task Force

REFERENCES

- AFI ATS Message Handling System Implementation Task Force
- APIRG - Report of the Seventh Meeting

1. Introduction

The First Meeting of the AFI ATS Message Handling System Implementation Task Force (AFI AMHS /I/ TF/1) was held at the ICAO Eastern and Southern Regional office Nairobi, Kenya from, 19 o 20 May 2011. The main objective of the Task Force was to develop guidance to ensure that a standardized and harmonized implementation process of AMHS is adopted within the AFI Region.

2. Discussion

The First Meeting of the AFI ATS Message Handling System Implementation Task Force (AFI AMHS /I/ TF/1) set up several Teams to task on specific subjects. The Team in charge of the Draft AMHS Strategy Implementation developed the current Document of the Draft AFI AMHS Implementation Strategy provided at **Appendix** hereto.

3. Action by the meeting

3.1 The AMHS Implementation Task Force is invited to note and comment on the Draft AFI AMHS Implementation Strategy, for further consideration.
