EXPLANATORY NOTES ON THE TENTATIVE AGENDA

Agenda Item 1: Election of the Chairperson and Vice Chairpersons

The meeting may wish to elect the Chairperson and two Vice Chairpersons.

Agenda Item 2: Terms of reference and work programme as defined by APIRG/13

The meeting will take note of the Terms of reference and work programme adopted by APIRG/13.

Agenda Item 3: Review of the status of implementation of Conclusions/Decisions of the third meeting

The Meeting will review the status of implementation of conclusions and decisions adopted at its last meeting.

Agenda Item 4: Review of the reports of ICGs and Status of implementation of the AFI CNS/ATM Plan

The Sub-group will consider the reports of the Implementation Co-ordination Groups (ICGs) which have met, namely ICG-1, ICG-2, ICG-6 and ICG-8.

Agenda Item 5: Review and update of the CNS/ATM Implementation Plan, Doc 003

The current CNS/ATM Plan spans the years 1995-2005. There is need to project the CNS/ATM Plan beyond 2005. The Sub-group will therefore review and update as necessary, the AFI CNS/ATM Implementation plan taking into account Agenda Items 2, 3, 4 and:

- a) the ICAO *Global Air Navigation Plan for CNS/ATM Systems*, (Doc 9750), Second Edition, 2002;
- b) the inputs from the ATS/AIS/SAR/SG/7 Meeting;
- c) the inputs from the COM/SG/6 Meeting;
- d) the inputs from the study on categorization of TMAs and aerodromes; and
- e) the CNS/ATM Implementation Plans of adjacent regions.

Note: Though they will have to be submitted to MET/SG, the results from the MET/SG Task Force on CNS/ATM would also be considered, if available.

Agenda Item 6: Review and update if required of the Surveillance Plan for the AFI Region

The meeting will review and update, if required, the Surveillance Plan for the AFI region. It will consider in this respect the results of the joint study by ASECNA and IATA on the categorization of TMAs and aerodromes.

Agenda Item 7: Briefing on CNS/ATM trials in the AFI Region and in other regions

States and organizations conducting or planning to conduct CNS/ATM trials are invited to inform the meeting on their projects.

Agenda Item 8: Future work programme

The meeting will consider in its future work programme the remaining tasks and any new task to be proposed to APIRG/14.

Agenda Item 9: Any Other Business

The meeting will consider any other item pertinent to its terms of reference or work programme. Matters relating to the 11th Air Navigation Conference (September 2003) will be discussed in this respect.
