Conclusion	Reading	Implementation Status	Remarks
CNS/SG	NIL	NIL	NIL
APRG/17			
CONCLUSION 17/31:	IMPLEMENTATION OF ADS-C		
	That, States implement ADS-C Procedures for en-route operations in their managed oceanic and remote continental airspace.	Still valid Progress made in the implementation process Effort to be kept on for a full ADS-C operation	Need of more coordination
DECISION 17/32:	DEVELOPMENT OF AFI SURVEILLANCE STRATEGY		
	That, in order to finalize the development of AFI Surveillance Strategy, the Terms of Reference, work programme and composition of the AFI Surveillance Task Force be amended as shown in Appendix 3.3D to this report.	TR submitted to the current meeting	
CONCLUSION 17/33	Data Collection for Aerodrome and TMA Categorization		
	That, no later than 31 December 2010, States which have not yet done so, compile and submit the relevant data concerning their managed aerodromes and Terminal Areas (TMAs) in order to facilitate the work of the CNS sub-group on their categorization. To this effect, States should ensure that close coordination is carried out between civilian and military stakeholders.	State letters issue; Low pace of collection	Need of new mechanism to collect the datas
