Description:

Hungary has promulgated aircraft operations regulations in the form of the Ministerial Decree No. 20 of 2002, which is based on the Joint Aviation Requirements (JAR) Operations (OPS). However, this Decree brings into force the JAR OPS through its Amendment 2; while in practice, Hungary applies some of the later JAR OPS amendments (the latest being amendment 13). Not all provisions of ICAO Annex 6 are reflected in the national regulations.
