**Agenda Item 3: Review of ADS/CPLC implementation activities in SAT FIRs**

**3.1 CFRA/SATMA 2108 ANALYSIS**

(Presented by SATMA)

**SUMMARY**

CFRA/SATMA analysis of FANS services in the EUR/SAM Corridor for the Year 2017

**1. Introduction**

CFRA is the Central Fans Regional Agency (depending of SATMA), responsible to monitor and coordinate FANS and PBCS implementations in the corridor. PBCS will require a continuous monitoring activity, so States will be urged to apply a national program for local implementation and report.

**2. Discussion**

Annex A presents a resume of CFRA analysis of FANS services in the EUR/SAM Corridor for the Year 2018. ADS/CPDLC was integrated in Air traffic Control System (SACTA) in November 2016. This integration implies some data management changes
