Fifth Meeting of the African Air Navigation Services Providers

(Lomé, Togo, 28th March -1st April 2022)

Provisional Agenda

Agenda Item 1: *Adoption of the Agenda and the Work programme*

Under this Agenda Item, the meeting will review and approve the Agenda and the Work programme

Agenda item 2: *African Air Navigation Services Providers (ANSPs) Peer Review mechanism*

Under this Agenda Item, the meeting will be briefed on the mechanism governing the African Air Navigation Services Providers (ANSPs) Peer Review Programme.

The meeting will review the actions conducted since the launching of the programme in 2015 by the President of the Council of the International Civil Aviation Organization (ICAO) and explore the way forward for the attainment of the objectives of the Peer Review mechanism.

Agenda Item 3: *Review of the status of implementation of the recommendations of the last meeting of the African ANSPs*

Under this Agenda Item, the meeting will examine the status of implementation of the last meeting of the African ANSPs held in 2019, identify the challenges and opportunities to build a robust cooperation framework.

Agenda Item 4: *Air navigation services and the COVID-19 pandemic*

Under this Agenda Item, the meeting will analyze the multidimensional impact of the COVID-19 pandemic on ANSPs, share the sustainable experience for a normal Air Navigation Services provision and identify common challenges in this context.

The meeting will be provided with ANSPs and Partners perspectives and initiatives in addressing challenges and developing recovery strategies through projects and innovation towards industry resilience

Agenda Item 5: *Support to the AU Single African Air Transport Market (SAATM) flagship programme*

Under this Agenda Item, the meeting will discuss issues related to the implementation of the ANS components of the AFCAC Joint Priority Action Plan for the operationalization of the Single African Air Transport Market (SAATM) championed by the Republic of Togo, as a follow up to the AFCAC/AU Stakeholders meeting held in January 2022.

Agenda item 6: *Implementation of ICAO Global and Regional Air Navigation Plans (GANP & AFI/ANP) and ANSPs Priority Areas of Cooperation*

Under this Agenda Item, the meeting will discuss the ICAO relevant provisions of the Global and Regional Air Navigation Plans (GANP and AFI/ANP), as well as the on-going APIRG projects approach mechanism.

The meeting will also enable Air Navigation Services Providers to discuss priority areas of cooperation and agree on the modalities for their implementation, with a particular emphasis on the spare parts and expertise sharing, the implementation of a seamless sky in support of the SAATM as well as the pooling of data and innovative technologies.
