CANSO MAIN GOALS

- ❑ CANSO's work in Africa is based on Vision 2020, the CANSO's **Fit for the Future of ATM model**, as well as the ICAO's Global ATM Concept and APIRG.
- ❑ Global vision is the future of Air Navigation Services in a **collective industry approach** working towards achieving seamless air navigation services provision.
- ❑ CANSO's goal is also to help ANSP's provide services that are **technically interoperable, procedurally harmonised, universally safe and affordable**.
- ❑ CANSO helps its members and the ATM Industry by providing a **collaboration platform across the whole industry and sharing information, best practise and standards of excellence**.

LESSONS & OBSERVATIONS

COLLABORATION

- Multi-Stakeholder initiatives always more complex
- Facilitating the four/three-way nexus of (State, CAA, Airport and ANSP)
- Engage the ANSP early
- Maintain full awareness

Facilitating and Monitoring implementation:

- Closed group on-going survey
- Structured approach / questionnaire
- Share with the broader participants

SYSTEM COMPATIBILITY, COMMUNICATION AND CHANGE MANAGEMENT

- System Compatibility with new formats
- Ensuring communication effectiveness
- Beyond Focal Points - Integration of all staff into new ways of working (internal discussion on Go-to-Teams)
- Beyond the process - Facilitating Teamwork (and recognition) – ensuring seamless communication. Managing the process dynamics all the way.

Use case / lessons:

- CANSO developing guidelines for ANSPs (COVID-19 delays)
- Safety workgroups - drawing experience from members

THANK YOU

CANSO
