28 March 2022

Subject: **Invitation to participate to the ICAO virtual seminar on Sustainable Aviation Fuels and CORSIA, 12 April 2022**

Action required: To register online not later than 8 April 2022

Sir/Madam,

I wish to invite your Administration to participate in the ICAO virtual workshop on Sustainable Aviation Fuels and CORSIA, to be held on 12 April 2022 at 09:00 AM UTC.

Indeed, CORSIA allows aircraft operators to reduce its offsetting requirements through the use of CORSIA eligible fuels, which include CORSIA sustainable aviation fuels and CORSIA lower carbon aviation fuels. The seminar aims at facilitating familiarization with CORSIA Eligible Fuels. The objectives are to:

- facilitate the understanding of the CORSIA Eligible Fuels (CEF);
- familiarize participants with the ICAO CORSIA Implementation Element "CORSIA eligible fuels" and its related five ICAO documents referenced in Annex 16, Volume IV;
- explain how CORSIA Sustainability Criteria for CEF are applied and fuels certified; and
- familiarize participants with the monitoring, reporting and verification process of CEF.

The event will be conducted in English and French with simultaneous interpretation. Participants will be invited to join an open discussion on the topic, share experiences and raise questions to the panelists. The provisional Agenda is enclosed for your information.

Your State/Administration is kindly invited to nominate delegate(s) for the participation to the Seminar. Participants should complete their registration at their early convenience, but not later than 8 April 2022 at <https://icao.zoom.us/meeting/register/tJEvfu6przwqHNaN32UmbqEBC--mHVscWND0>

Please accept, Sir/Madam, the assurances of my highest consideration.

For Prosper Zo'o Minto'o
Regional Director
