Sir/Madam,

I have the honour to inform you that the International Civil Aviation Organization (ICAO) is organizing a regional Workshop on the ICAO Universal Safety Oversight Audit Programme (USOAP) Continuous Monitoring Approach (CMA), to be held in Dakar, Senegal, from 4 to 6 December 2023.

The objectives of this workshop, which will be conducted in the English and French languages, are to provide States with an overview and update on the ICAO Universal Safety Oversight Audit Programme (USOAP) Continuous Monitoring Approach (CMA), including Edition 2020 Protocols Questions (PQs) as well as the latest CMA Online Framework (OLF) tools and functionalities.

The workshop is intended primarily for State National Continuous Monitoring Coordinators (NCCMs) and those involved in the USOAP CMA activities. Due to the limited number of seats available, you are kindly requested to nominate up to two participants from your Administration to attend this workshop.
