17 March 2025

**Subject:** Workshop on the provision of information on volcanic eruptions and ash clouds, Yaoundé, Cameroon, from 16 to 20 June 2025.

**Action required:** *Confirm your participation no later than 30 April 2025.*

Sir/Madam,

I have the honour to invite your Administration/Organization to participate in the workshop on the provision of information on volcanic eruptions and ash clouds, scheduled from 16 to 20 June 2025 in Yaoundé, Cameroon. The provisional agenda and work programme for the workshop are attached to this letter. Activities will be conducted in the English and French languages with simultaneous interpretation.

Indeed, volcanic ash in the atmosphere may pose a serious hazard to aircrafts in flight; contact with it should therefore be avoided. This workshop is intended for experts from volcanic ash advisory centres, the Area Control Centres (ACC), the Meteorological Watch Offices (MWO), the Aerodrome Meteorological Offices (AMO), the NOTAM Offices (NOF), the regulators as well as other stakeholders involved in the monitoring and the provision of volcanic ash information to end-users.

You are kindly invited to nominate experts to participate in the workshop at your earliest convenience, but not later than 30 April 2025. Nominees are requested to complete the online form preferably by 30 May 2025 at <https://icao.zoom.us/meeting/register/t86lzl6bTTuL7ihxuJtJzg>

Please accept, Sir/Madam, the assurances of my highest consideration.

Nika Meheza Manzi  
Ag. Regional Director
