Information and Data for Transparency**

Part I: List of Verification Bodies Accredited in States

December 2022

Carbon Offsetting and Reduction Scheme for International Aviation

This is Part I of the ICAO document “*CORSIA Central Registry (CCR): Information and data for transparency*” that is referenced in Annex 16 — Environmental Protection, Volume IV — Carbon Offsetting and Reduction Scheme for International Aviation (CORSIA). Part I of this ICAO CORSIA document is material approved by the ICAO Council for publication by ICAO to support Annex 16, Volume IV and is essential for the implementation of the CORSIA. Part I of this ICAO CORSIA document is available on the ICAO CORSIA website and may only be amended by the Council.

Disclaimer : *The designations employed and the presentation of the material presented in Part I of this ICAO CORSIA document do not imply the expression of any opinion whatsoever on the part of ICAO concerning the legal status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.*

The table below shows the amendments to Part I of this ICAO document over time, together with the dates on which the amendments were approved by the Council.

**Amendments to Part I of the ICAO document
“CORSIA Central Registry: Information and Data for Transparency”**
