**APPLICATION OF DANGEROUS GOODS TRAINING**

(Presented by D. Brennan)

**SUMMARY**

This working paper proposes a clarification in the wording of Table 1-4 to remove any ambiguity on the application of dangerous goods training.

Action by the DGP is in paragraph 2.

**1. INTRODUCTION**

1.1 Table 1-4 and the descriptive text in the key below Table 1-4 identifies the persons to whom dangerous goods training applies. The wording shown against each category of personnel is intended to clearly proscribe who falls within that category.

1.2 It has recently been identified that the difference in wording between category 5 and category 8 has caused some difference of opinion as to just who is required to receive training.

1.3 Category 5 is described as persons “**involved** in the handling, storage, and loading of cargo ...” and for category 8 where it reads “**responsible** for the handling, storage, and loading of cargo ...”.

1.4 It is believed that the wording should be identical as the job function is the same, it is only the employer that differs.

## 2. ACTION BY THE DGP

2.1 The DGP is invited to *revise* the wording of category 8 in the key to Table 1-4 to read:
