

WORKING PAPER

DANGEROUS GOODS PANEL (DGP)

TWENTIETH MEETING

Montréal, 24 October to 4 November 2005

Agenda Item 2: Development of recommendations for amendments to the Technical Instructions for the Safe Transport of Dangerous Goods by Air (Doc 9284) for incorporation in the 2007-2008 Edition

SAFETY MATCHES PERMITTED FOR CARRIAGE BY PASSENGERS

(Presented by G.A. Leach)

1. INTRODUCTION

1.1 At WG/05, a slight change was made to Part 8;1.1.2 (g) in that a passenger would be restricted to one small “book” of safety matches. However, the report of that meeting suggests that one small “packet” was agreed upon which would take account of small boxes as well as books. It is suggested the text should be amended to reflect the decision taken at WG/05.

2. PROPOSAL

2.1 Amend the text agreed at WG/05 as follows:

- g) no more than one small book-packet of safety matches or one lighter ~~intended for use by an individual~~ when carried on the person and not in checked or carry-on baggage. However, Lighters containing unabsorbed liquid fuel (other than liquefied gas), lighter fuel and lighter refills are not permitted on one's person or in checked or carry-on baggage;
