

WORKING PAPER

DANGEROUS GOODS PANEL (DGP)

TWENTIETH MEETING

Montréal, 24 October to 04 November 2005

Agenda Item 2: Development of recommendations for amendments to the Technical Instructions for the Safe Transport of Dangerous Goods by Air (Doc 9284) for incorporation in the 2007-2008 Edition

CONTINUATION OF THE WORK OF THE AD-HOC WORKING GROUP ON PART 8 PROVISIONS CONCERNING PASSENGER AND CREW

(Presented by J. Code)

1. INTRODUCTION

1.1 Section 12.3.1 - *Review of provisions for dangerous goods carried by passengers and crew* of the Report of the Meeting of the Working Group of the Whole WG 05 indicated the Panel agreed the following were required:

- Further study of the results of the Passenger Exceptions Survey,
- Further discussion concerning improvement of the user friendliness of the Part 8 provisions, and
- A future examination of State interpretations of the current Part 8.

Section 12.3.1 of the Report also indicated there was discussion on the criteria to be used when proposing dangerous goods substances or articles for inclusion in Part 8.

It is recommended an Ad-Hoc Working Group be convened during ICAO DGP 20 to address these outstanding business items and to further the discussion on the criteria for including dangerous goods into the Part 8 provisions.

2. **PROPOSAL**

2.1 The Panel is asked to support the continuation of the work of the Ad-Hoc Working Group on Part 8 Passenger Provisions including the:

- study of the results of the Passenger Exceptions Survey,
- improvement of the user friendliness of the Part 8 provisions,
- examination of State interpretations of the current Part 8, and
- development of criteria to be used when proposing dangerous goods substances or articles for inclusion in Part 8.
