LOADING OF CARGO AIRCRAFT ONLY (CAO) CONSIGNMENTS

(Presented by P. Steele)

1. INTRODUCTION

1.1 Following discussion of issues regarding the loading of CAO consignments (WP56) at DGP/18, the Panel recommended the item be added as a new non-recurrent work item to the Panel's work programme. The purpose of this paper is to activate the item.

2. PROPOSAL

2.1 Interested members of the Panel are invited to form a small working group to examine the issues and make recommendations for consideration by the Panel. It is proposed the group meet at some stage during the Frankfurt meeting. The group would communicate via email subsequent, meeting again early during the Dubai meeting to agree a presentation at that meeting. Following Dubai the group would again communicate by email, hopefully finalizing any proposals for consideration by the Panel in Montreal late 2003.
