

## **DANGEROUS GOODS PANEL**

**Frankfurt, 16 to 20 September 2002**

### **Agenda Item 2: Development of recommendations for amendments to the Technical Instructions for incorporation in the 2005/2006 edition**

#### **CLARIFICATION – APPLICABILITY OF CATEGORY 6 CARGO ACCEPTANCE STAFF**

(Presented by J. Abouchaar)

#### **1. INTRODUCTION**

1.1 In the report of DGP/18, item 2.2.8, it was agreed to revise Category 3 in Table 1-4 to read "dangerous goods acceptance staff.." in place of "cargo acceptance.". Associated with this was the addition of a new Category 9 in Table 1-4 identifying training requirements for general cargo acceptance personnel.

1.2 Table 1-4 also includes training requirements for Category 6 being "Staff of agencies other than operators involved in processing cargo". However, the content of the training required by this category of personnel suggests that it is intended that these are persons who are responsible for the acceptance of dangerous goods rather than just "cargo".

#### **2. PROPOSAL**

Revise the wording of the key for category 6 in Table 1-4 as follows:

"Staff of agencies other than operators involved in processing ~~cargo~~ dangerous goods"
