

Yvonne Page is the Project Manager for Runway Safety at EUROCONTROL where she has worked since 1995. Yvonne's professional background is in Safety and Quality Management. She is a qualified Project Manager and also holds a Masters Degree in Business Administration. Yvonne is of British nationality and lives in Brussels.

Her primary objectives include raising awareness of runway safety issues such as runway incursion and excursion prevention.

An important achievement of the runway safety project has been the establishment of Local Runway Safety Teams across Europe.
