DP/05 ATTACHMENT A: **Proposed Programme of activities under the AFI Plan in 2017**

Focus Area 1 – Enabling States to establish and maintain an effective and sustainable safety oversight system		
Initiative	**Activity**	**Target for 2017**
Support the integration and enlargement of RSOOs/RAIOs for effective and sustainable functioning	• Coordinate a Global and Regional RSOO meeting and implement its outcomes	• Meeting Conducted • Meeting outcomes with specific Decisions and Recommendations
Support all States to establish the Fundamentals of Safety Oversight (FSO) system (CE1-CE5)	• Identify States with lack of Fundamentals of safety oversight system • Prioritize and Support through ROST and AFI CIS	• 20% AFI States with lack of FSO supported
Encourage at least half of African State to delegate certain oversight functions to RSOOs	• Regional Offices to continuously engage States with State on this subject • State Letters • High level engagements	• At least 5 States in AFI Region to delegate functions to RSOOs
East Africa Community (EAC) Partner States (Burundi, Kenya, Rwanda, Uganda, Tanzania)	• Strengthen the existing EAC Civil Aviation Safety and Security Oversight Agency (CASSOA). • Establish an EAC Regional Accident Investigation Organization (EAC-RAIO).	• Support to realize the effective establishment of EAC-RAIO. • Support CASSOA strategy and ensure sustainability

Activity		
Initiative	**Activity**	**Target for 2017**
Provide Safety Inspectors training courses	Coordinate delivery of training for Safety Inspectors:- • Airworthiness Inspector courses. • Operations Inspector courses. • Personnel Licensing Inspector courses. • Air Navigation Services Inspector courses. • Aerodrome certification course	At least 1 Course in each specialty
Direct support to States on the MARB list to resolve identified deficiencies		
Initiative	**Activity**	**Target for 2017**
Assist States to resolve SSC(s)	• Continue implementation ICAO Plans of Actions through ROSTs activities • Follow up on the implementation of revised/existing ICAO Plans of Action and establish new ones with additional States as may be required	No SSC
Assist States to improve EI	• Continue implementation through ROSTs activities • Follow up on the implementation of revised/existing ICAO Plans of Action and establish new ones with additional States as may be required	75 % of African States above 60%EI.
Assist States to certify all international Aerodromes	• Implement the Aerodrome certification Project for 17 States	45 % of international Airports certified
Assist States to establish a mechanism to ensure independent Aircraft Accident and Serious Incident Investigation **Assist all States above 60% to start Implementing SSP**	• Support States through ROST and Implementation of ICAO Plan of Action	70 % States with independent Aircraft accident and incident investigation entity

Assist States to establish effective SAR organization	• Implement SSP Project for 25 States	25 States to be assisted by the Project in conducting Gap Analysis and Development of appropriate implementation plans and Benchmark of progress;
	• Implement SAR Project for 30 States	30 States to develop an effective SAR operational organization

Focus Area 3 – Enhance aviation safety culture and information exchange among African regulators and service providers		
Initiative	**Activity**	**Target for 2017**
• **Aviation Service Providers to Develop and Implement their Respective Safety Management System (SMS)**	Encourage Operators and Service providers to fully participate in the ICAO Safety Management Training Programme (SMTP) comprising Part 1 – Online Safety Management Training and Part 2 – Safety Management for Practitioners (SMxP) Course	50 SMS-qualified Industry personnel
• International Airlines	• Coordinate and follow up with IATA assistance on IOSA Certification	70% International Carrier are IOSA certified
• International Airports	• Design a project to support Airports	Approved Project
• Air navigation	• Design a project to support to support ANS Service Providers	Approved Project
• **Assist to establish and conduct ANS peer review mechanism**	• Implement ANSP peer review Project	Peer review mechanism established

• **Annual Safety forum**	• Conduct at least annual aviation safety conference in the region	1 Annual Safety Conference
• **Avail Annual safety performance of the Region**	• Publish and disseminate safety Report	1 Annual Safety Report

-END-
