

Safe Skies for Africa

AFI Steering Committee Update
Shelia Helton-Ingram

An Expanded Vision for the Safe Skies Program

- ▶ Enable African States and regions to achieve compliance with international aviation standards.
- ▶ Elevate aviation as a driver of economic growth and development in Africa.
- ▶ Improve air transportation in Africa through new and continued partnerships.

A New Website: [Transportation.gov/SafeSkiesForAfrica](https://www.transportation.gov/SafeSkiesForAfrica)

- ▶ A new means of spreading information about the Safe Skies for Africa program.
- ▶ A centralized source of information on upcoming training opportunities being offered by Safe Skies for Africa partner agencies.
- ▶ A repository for completed trainings and success stories.

A New Email Address:
SafeSkiesForAfrica@dot.gov

Selected Recent Accomplishments

- ▶ Aerodrome Certification Workshop in Cameroon (April)
- ▶ Participated in the RSOO Symposium in Swaziland (March)
- ▶ Access Control Security Training in Senegal (March)
- ▶ Kenya Achieving IASA Category 1 (February)

Thank you
