## **Meeting arrangements**

### ***Opening meeting***

The Opening Plenary Meeting will convene at 1030 hours on Monday, 20 April 2009, in the Assembly Hall. The opening meeting will be preceded by an informal meeting of Heads of Delegations at 0930 hours.

### **Registration of participants**

### ***Formalities***

All participants are requested to register at the Registration Desk, located on the ground floor of the Conference Centre at ICAO Headquarters on Sunday, 19 April 2009, from 1500 to 1900 hours, and throughout the duration of the meeting from 0800 to 1700 hours.

### ***Credentials and Full Powers***

Participants whose credentials have not previously been notified to the Secretary General are requested to deposit them at the Registration Desk when registering, or as early as possible thereafter. The same applies to Full Powers, authorizing the Delegate to sign the adopted instruments.

### ***List of participants***

During the first week of the Conference, a list of participants who have registered for the Conference by that date will be distributed. This list will be revised and updated as necessary.

Participants should notify amendments and corrections to the list to the Registration Desk.

### ***Identification of participants and security***

The ICAO security pass must be worn visibly at all times while on the premises. Security guards have strict instructions not to allow access to the ICAO premises or to the conference rooms to persons not wearing a pass.

The ICAO security pass, which is issued to each participant upon registration, will serve as a building security pass and permit access to the conference block and the office tower. Although special care should be taken not to lose these passes, the registration personnel will provide replacements upon proper identification.

Lapel badges of a different colour will be issued to persons accompanying participants if they wish to attend social functions.

## **Meeting documentation and communication facilities**

### ***Distribution***

Documentation produced during the meeting will be available at the Document Distribution Centre on the first floor beside the Registration Centre. Documents will be distributed daily from 0900 to 1700 hours on weekdays and from 0900 to 1300 hours on Saturdays.

Only two distribution boxes per State/international organization will be allocated, i.e. one for the Chief Delegate and one for the Alternate Chief Delegate.

### ***Communication facilities***

The Assembly Hall is equipped to offer Internet connectivity from each seat through a wireless network for attendees who bring their own portable computers equipped with 802.11b/g network cards. Electrical power is available at every seat. Several radio frequency access points have been installed in the Assembly Hall, enabling participants to access Internet facilities (including the ICAO-NET website and web-based e-mail) from their seat by means of a special wireless communications card. Technical support will be provided on site for the configuration of participants' portable computers.

Moreover, computer workstations configured with most of the Microsoft Office tools, and printers will be available on the ground floor of the Conference Centre for participants who wish to access the Internet to use web-based e-mail services.

## **Ancillary services provided by ICAO**

### ***Commissariat***

For the convenience of participants entitled to purchase spirits and cigarettes at diplomatic prices, the Commissariat on the ground floor will be open on Tuesdays between 1230 and 1400 hours, and on Thursdays between 1230 and 1400 hours and between 1630 and 1800 hours.

### ***Storage***

There are no storage facilities available at ICAO Headquarters. If needed, delegates should make alternative arrangements to have their luggage stored elsewhere.

### ***ICAO library***

The ICAO library subscribes to all major aviation-oriented magazines and periodicals. Participants are invited to make use of these facilities. Current issues of leading Montréal and international newspapers are also available in the library.

### ***ICAO cafeteria***

The facilities of the ICAO cafeteria located on the fifth floor of the office tower are at the disposal of participants from 0730 to 1530 hours on weekdays.

### ***Smoking***

Smoking is **not** permitted at ICAO Headquarters, except in the designated smoking area in the ICAO cafeteria.

### ***Lost and found***

Lost articles should be reported to the office of the Chief, Conference and Office Services Section, telephone extension 8227. Any articles found should be handed to Document Distribution personnel.

### ***Medical and hospital insurance***

In view of the high cost of medical and hospital care in the Montréal area for non-residents of Canada, participants may wish to insure themselves against these risks.

Application forms may be completed and premiums paid at the Social Security and Welfare Unit, fourth floor, Room 4.35.28.

### ***Medical services***

The Medical Consultant's office is located on the fourth floor, Room 4.25, telephone extension 8212. A nurse will be on duty at that location from 0830 to 1630 hours for the duration of the Conference except on Saturday, 25 April 2009, and Saturday, 2 May 2009. If an emergency occurs and if the nurse cannot be reached, the Social Security and Welfare Unit, also located on the fourth floor, Room 4.35.28, telephone extension 8236 or 8237, will take appropriate action to obtain medical assistance except on Saturday, 25 April 2009, and Saturday, 2 May 2009.

Participants seeking medical attention can obtain from their hotel management the location and telephone number of a doctor in their hotel or nearby.

The closest hospital to the ICAO premises is the McGill University Health Centre, telephone (514) 934-1934.

The ICAO general telephone number is (514) 954-8219.

Telephones for use within the Organization and for local calls in the Montréal area may be found on each level of the Conference Centre. The internal telephones located in the Conference Centre cannot be used for direct long-distance calls. Long-distance calling cards may be purchased at the ICAO Registration Desk located on the first floor during coffee breaks.

The use of cellular phones is prohibited in all conference rooms.

The ICAO telephone directory is available at the Document Distribution Centre for participants wishing to contact Council Representatives and members of the Secretariat.
