

INTERNATIONAL CONFERENCE ON AIR LAW

(Beijing, 30 August – 10 September 2010)

INFORMAL GROUP ON TRANSPORT OFFENCES

Article 1 (1) (i) reads as follows:

1. Any person commits an offence if that person unlawfully and intentionally:
 - (i) transports, causes to be transported, or facilitates the transport of, on board an aircraft:
 - (1) any explosive or radioactive material, knowing that it is intended to be used to cause, or in a threat to cause, with or without a condition, as is provided for under national law, death or serious injury or damage for the purpose of intimidating a population, or compelling a government or an international organization to do or to abstain from doing any act; or
 - (2) any BCN weapon, knowing it to be a BCN weapon as defined in Article 2; or
 - (3) any source material, special fissionable material, or equipment or material especially designed or prepared for the processing, use or production of special fissionable material, knowing that it is intended to be used in a nuclear explosive activity or in any other nuclear activity not under safeguards pursuant to a safeguards agreement with the International Atomic Energy Agency; or
 - (4) any equipment, materials or software or related technology that significantly contributes to the design, manufacture or delivery of a BCN weapon without lawful authorization and with the intention that it will be used for such purpose;

provided that for activities involving a State Party, including those undertaken by a person or legal entity authorized by a State Party, it shall not be an offence under subparagraphs 3 and 4 if the transport of such items or materials is consistent with or is for a use or activity that is consistent with its rights, responsibilities and obligations under the applicable multilateral non proliferation treaty to which it is a party including those referred to in Article 4 *ter*.

Article 4 *ter*

Nothing in this Convention shall affect the rights, obligations and responsibilities under the *Treaty on the Non-Proliferation of Nuclear Weapons, done at Washington, London and Moscow on 1 July 1968*, the *Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on their Destruction done at Washington, London and Moscow on 10 April 1972*, or the *Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on their Destruction, done at Paris on 13 January 1993*, of States Parties to such treaties.
