

Response of CAMEROON*

**to questions concerning its current policy, position and practice
on air carrier ownership and control**

(Date of response: 26/12/03)

No.	Question	Yes	No	Case by Case	Note/Comment
1.	When designating your airline to operate the agreed services under an air services agreement, do you require it to be substantially (or majority) owned and effectively controlled by nationals of your country?		X		It is one criteria or the other, or both at the same time.
2.	In dealing with the designation of foreign airlines, which of the following criteria do you accept:				
	a) substantially (or majority) owned and effectively controlled by the designating party or its nationals (the traditional approach)	X			Such a definition avoids the authorization of a flag of convenience airline.
	b) substantially (or majority) owned and effectively controlled by one or more States that are parties to an agreement or within a predefined regional grouping (e.g. a “community of interest” carrier)		X		All arrangements are still conducted on a bilateral basis.
	c) incorporated and having its principal place of business or permanent residence in the territory of the designating party	X			
	d) having its principal place of business in the territory of and effective control by the designating party (without the ownership requirement)	X			
	e) having its principal place of business in the territory of and effective regulatory control by the designating party	X			The system favours the flow of capital.

	f) any other criteria (please describe)				
No.	Question	Yes	No	Case by Case	Note/Comment
3.	In dealing with airline designations in the future, are you willing to accept criteria other than the traditional national ownership and control:				
	a) for both yourself and the foreign partner?	X			All criteria that favours economic development.
	b) for the foreign partner but maintain traditional criteria for yourself?		X		The principle of reciprocity is used.
	c) What economic regulatory conditions will you impose for such acceptance? (please describe)				
4.	Are you willing to consider the following positive action in facilitating liberalization of air carrier ownership and control:				
	a) issuing an individual statement of policy for accepting designations of foreign air carriers?		X		
	b) developing a common policy with partner States? (please indicate, if possible, with which partner(s))	X			In a sub regional framework.
	c) any other action? (please describe)
