

Response of LIBERIA
to questions concerning its current policy, position and practice
on air carrier ownership and control

(Date of response: 13/09/07)

No.	Question	Yes	No	Case by Case	Note/Comment
1.	When designating your airline to operate the agreed services under an air services agreement, do you require it to be substantially (or majority) owned and effectively controlled by nationals of your country?	X			Must be controlled by nationals of my country
2.	In dealing with the designation of foreign airlines, which of the following criteria do you accept:	X			All may be accepted
	a) substantially (or majority) owned and effectively controlled by the designating party or its nationals (the traditional approach)	X			
	b) substantially (or majority) owned and effectively controlled by one or more States that are parties to an agreement or within a predefined regional grouping (e.g. a “community of interest” carrier)	X			May honour the appropriate part of an agreement of a contracting State
	c) incorporated and having its principal place of business or permanent residence in the territory of the designating party	X			An Air Service License
	d) having its principal place of business in the territory of and effective control by the designating party (without the ownership requirement)	X			Ownership is not a criteria
	e) having its principal place of business in the territory of and effective regulatory control by the designating party	X			Article 83 bis
	f) any other criteria (please describe)		X		
3.	In dealing with airline designations in the future, are you willing to accept criteria other than the traditional national ownership and control:	X			Prevailing condition may cause a change of criteria

No.	Question	Yes	No	Case by Case	Note/Comment
	a) for both yourself and the foreign partner?	X			
	b) for the foreign partner but maintain traditional criteria for yourself?				
	c) What economic regulatory conditions will you impose for such acceptance? (please describe)	X			Ownership percentage
4.	Are you willing to consider the following positive action in facilitating liberalization of air carrier ownership and control:	X			
	a) issuing an individual statement of policy for accepting designations of foreign air carriers?	X			
	b) developing a common policy with partner States? (please indicate, if possible, with which partner(s))	X			ICAO Contracting State
	c) any other action? (please describe)		X
