

Response of ROMANIA
to questions concerning its current policy, position and practice
on air carrier ownership and control

(Date of response: 31/08/07)

No.	Question	Yes	No	Case by Case	Note/Comment
1.	When designating your airline to operate the agreed services under an air services agreement, do you require it to be substantially (or majority) owned and effectively controlled by nationals of your country?		X		Romania designates any EU carrier which is owned and effectively controlled by nationals of EU countries and which is established in Romania
2.	In dealing with the designation of foreign airlines, which of the following criteria do you accept:				
	a) substantially (or majority) owned and effectively controlled by the designating party or its nationals (the traditional approach)	X			For non EU countries
	b) substantially (or majority) owned and effectively controlled by one or more States that are parties to an agreement or within a predefined regional grouping (e.g. a “community of interest” carrier)		X		Only for EU countries
	c) incorporated and having its principal place of business or permanent residence in the territory of the designating party				
	d) having its principal place of business in the territory of and effective control by the designating party (without the ownership requirement)				
	e) having its principal place of business in the territory of and effective regulatory control by the designating party				
	f) any other criteria (please describe)				
3.	In dealing with airline designations in the future, are you willing to accept criteria other than the traditional national ownership and control:				

No.	Question	Yes	No	Case by Case	Note/Comment
	a) for both yourself and the foreign partner?	X			See no. 2
