

Response of REPUBLIC OF SLOVENIA

**to questions concerning its current policy, position and practice
on air carrier ownership and control**

(Date of response: 24/12/03)

No.	Question	Yes	No	Case by Case	Note/Comment
1.	When designating your airline to operate the agreed services under an air services agreement, do you require it to be substantially (or majority) owned and effectively controlled by nationals of your country?	X			
2.	In dealing with the designation of foreign airlines, which of the following criteria do you accept:				
	a) substantially (or majority) owned and effectively controlled by the designating party or its nationals (the traditional approach)			X	depends on bilateral agreements
	b) substantially (or majority) owned and effectively controlled by one or more States that are parties to an agreement or within a predefined regional grouping (e.g. a “community of interest” carrier)				
	c) incorporated and having its principal place of business or permanent residence in the territory of the designating party				
	d) having its principal place of business in the territory of and effective control by the designating party (without the ownership requirement)				
	e) having its principal place of business in the territory of and effective regulatory control by the designating party				
	f) any other criteria (please describe)				

No.	Question	Yes	No	Case by Case	Note/Comment
3.	In dealing with airline designations in the future, are you willing to accept criteria other than the traditional national ownership and control:	X			Slovenia will follow EU regulations
	a) for both yourself and the foreign partner?	X			Foreign partner should be ICAO member state.
	b) for the foreign partner but maintain traditional criteria for yourself?				
	c) What economic regulatory conditions will you impose for such acceptance? (please describe)				
4.	Are you willing to consider the following positive action in facilitating liberalization of air carrier ownership and control:				
	a) issuing an individual statement of policy for accepting designations of foreign air carriers?				
	b) developing a common policy with partner States? (please indicate, if possible, with which partner(s))				
	c) any other action? (please describe)				

Any other comments on your answers:

Slovenia shall take an active part at adopting EU regulations. Apart from that shall take into consideration, when preparing agreements, ICAO standards, recommendations and recommended practices.
