CAA preparation for restarting operations during a pandemic: Virtual Classroom

The course provides CAA senior and middle managers with an overview of the necessary safety and security oversight and surveillance activities during the recovery phase of a pandemic. It is also particularly beneficial for organisations that have applied for alleviations and exemptions, or significantly reduced their operating scope in terms of size, management infrastructure or complexity, during a pandemic or similar crisis.

Instrucción en el aula virtual: Impartición Virtual

El curso de Instrucción en el aula virtual (IAV) TRAINAIR PLUS de la OACI proporciona a los instructores las competencias necesarias para impartir cursos en línea, apoyando la transición de la enseñanza en un aula presencial a la gestión de la instrucción en un aula virtual.

Al finalizar el Curso, los participantes podrán:

- Preparar la impartición de un Curso de instrucción en el aula virtual.
- Gestionar actividades de aprendizaje en un aula virtual.
- Brindar instrucción de manera efectiva en un aula virtual
