

Jie Huang

Ms. Jie Huang is currently the Head of Training Design and Development (TDD) Unit in the Global Aviation Training (GAT) Section of the ICAO Technical Cooperation Bureau (TCB). To support the implementation of ICAO provisions, her main mandate is to develop ICAO courses in collaboration with ICAO Bureaus, and cooperate with ICAO TRAINAIR PLUS Programme (TPP) Members on the development of ICAO-recognized training courses in line with the ICAO competency-based training methodology. In addition, she is in charge of the ICAO training professional qualification processes including instructors, Subject Matter Experts (SMEs) and Instructional Systems Design (ISD) validators. She is an ICAO senior instructor for several courses, such as Training Developers Course (TDC), Validating Competency-based Training (VCT) and Post-Training Evaluation (PTE) course, as well as an ICAO senior ISD validator to conduct methodology validation of training courses.

Prior to joining ICAO, Ms. Huang previously worked in China Eastern Airlines for 17 years with increasing technical and managerial responsibilities in aviation and training. She holds a Master's degree of Arts specialized in Educational Technology from Concordia University.
